Samara 2017

Researchers, scientists and lecturers are invited for the 1st International Conference of Economics and Management Institute of Samara University. The Conference is held annually in Samara, Russia to discuss intellectual research work on high technology management and economics and related domains.

Conference papers and discussions will be organized around the following subthemes:

- Management and Economics of IT Projects and Corporations;
- IT & Innovation Management in State and Local Government;
- Tools for Hi-Tech Management;
- Information Technology Law.

**SUBMISSION OF PROPOSALS:**

Submissions should not include papers that have been published previously, presented at other conferences, or that are scheduled for other forthcoming conferences. Submissions must be 3,000-5,000 words and should be prepared in accordance with the Authors Guideline. All conference proposals should be sent to the Programme Committee (e-mail: [blinova@ssau.ru](mailto:blinova@ssau.ru)) by May 5, 2017. Proposals will be reviewed by the Conference Programme Committee. Decisions will be announced in two days. The text of the papers will be included in the Conference Proceedings. The registration fee (50USD) includes a hard copy of the Conference Proceedings, all lunches and coffee breaks.

**PROPOSAL FORMAT:**

Title	
Author name (first, middle, last)	
Paper title	
Author position	
Institution	
Address	
E-mail	
Phone number	

Authors are asked to check their proposals in the Programme Committee in case they did not receive the proposal verification in two days.

The Conference Proceedings will be registered in the database of **Russian Science Citation Index (RSCI)** and published on web-site **Elibrary.ru**.

**After the Conference a proposal for indexing the Conference Proceedings in Scopus, the largest abstract and citation database of peer-reviewed literature, will be submitted.**
